Steven and I were in the same unit in Hawaii and we deployed together to Iraq. He got me into watching the TV show Friday Night Lights and we binge watched every season every night until we finished it. The team has a motto, that we'd say to each other all the time…even after we'd both gotten out of the Army and not as often as before but it's a memory of Steven that I'll hold dear to my heart. Clear Eyes, Full Heart, Can't Lose.
