“ So many fond memories of Hollis and his family. Ice cream on Saturday, trying to ride a bike, Sky Way drive in (Old Yeller). Hollis visited Union on Mother's Day every year. Our dads worked at Depot and we lived next to and then across the road down from Cold Water Baptist Church. Linda Dingler Strickland will always remember being children together.

“ Hollis was a great friend to my brother. He was always there when Bubba needed him most, never more than a phone call away. Scott camped with Hollis at the rodeo every year that he could and they made great memories. When our Dad died, it was rodeo week. Hollis rounded up all the guys from camp and they filed in the funeral home in their rodeo attire to pay their respects. That sure meant a lot to all of us. Another time, Hollis drove 2 1/2 hours to my house just to spend a couple hours fishing with Scott and drove back home that afternoon. There were many other times that Hollis came through for Scott that he'll never forget. Everyone should have a friend like Hollis. I am grateful that Bubba had that, if only for a while. Scott has a hot shot trucking company and is headed to California, so he won't be able to make it to the funeral. Please know that we are thinking about the family and praying that God will cover you in His peace and comfort. Godspeed, Hollis. We'll miss you, brother.
