“ Julie was a shining light to many in a dark world. From the day I met her she opened her heart to me and quickly became an addition to my family. She had a true calling and gift from God, she was and will continue to be a role model for me and I'm sure many others. Her destiny has been fulfilled here on earth, but her legacy will continue for years to come. Thank you for the love you gave, and may you rest now knowing you are loved.

“ When Julie's face popped up on our OHS group's page I was a little shocked. She was a presence, a force to be reckoned with...and had the gait and grace of a gazelle as she ran.
This is how I like to remember her, she was a good and loyal friend but sadly we didn't keep in touch after I left Oxford.
I hope life treated her kind and that she completed some favorite items on her bucket list. I hope she had enough love in her life and those who she loved, I hope they were worthy. Goodbye my friend
