“ After living out of state for so long, I was just reconnecting with my cousins, I talked to you Leonard last year and was planning on getting down to visit you, but GOD's plans didn't fit with mine and HE took you home!!!! Say hello to your parents, Big Mama, mama and the rest of our family and I'm sure that you had a joyous reunion with all of them in the LORD's house!!! Until we meet again, I will forever cherish the memories!!!!!! Love you my cousin!!!!

“ I love you brother.
I'm going to remember you as you were in that picture I have of you, Toonk, and Stinker standing in front that awesome 55 Chevy you built when you were 17. Nobody could catch you in it.
I can still hear you wind it up coming down McIntosh and remember the time you to took Margaret across the creek when it flooded, at top speed and made it across. You looked like mama but you had daddy's fire.
You were the sweetest thing.
You had gifts and visions not known by many and walked proud
. Oh but the company you're in now.

“ He was one of the best uncles someone could have asked for. We both love our Native American heritage. He will be truly missed but never forgotten. And always loved.
