“ Bud was a devoted family man and a wonderful example of what is a real man. I witnessed his devotion to his wife and family and his strength of character. His loyalty to his wife as she went through the stages of Alzheimer’s restored my faith in humanity. God Bless him as he is an angel in heaven.

“ Please accept my condolences for the loss of Bud. This is, no doubt, a trying time for your family, as he was loved and touched many lives. The best encouragement I can offer would be a word from our Father in heaven by means of His Bible. In Revelation chapter 21 verses 3 and 4 it reads “3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” So we see a promise, a time when God will be with his people, and He will do away with mourning and death. And this is truly encouraging, because when you see Bud again you will not have to worry about losing him in death again. I hope this word offers you a measure of comfort and a measure of hope. Again. Accept my sincere condolences.
