Comments

“ Please accept my sincere condolences on the loss of Sandra. It isn't easy to lose a loved one and so I would like to offer you encouragement from God's word the Bible. When we consider Revelation chapter 21 verse 4 we read, “4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” This scripture talks about a time when death and mourning will be done away with, and this is especially encouraging because this means we will never have to deal with the passing of our loved ones again. God is doing away with these painful things and when you see Sandra again, you will not have to live in fear of losing her again. I hope this scripture offers you comfort, during this difficult time.
