

Mr. Thomas 'Tommy' Walker

January 27, 1943 - November 19, 2019

A Celebration of Life for Tommy Walker of Anniston, AL will be held Sunday, November 24 at 2:00 at First United Methodist Church Anniston. The family will receive friends at the conclusion of the service.

Tommy passed away at home, Tuesday, November 19, 2019.

He is survived by Sandra, his loving wife of 53 years, two daughters - Janet (Clay) Goff and Jennifer Walker, and a brother - Richard (RL) Walker. He also leaves behind four adoring grandsons - Andrew Walker and Caleb, Collin, and Caden Goff.

He is preceded in death by his parents - Ray and Anna Lee Walker and four siblings - Patsy Large, Don Walker, Wylene Walker and Vance Walker.

Tommy was a graduate of Alexandria High School in 1961 where he was voted most handsome and was a star on the high school basketball team. Upon graduating, he joined the Air Force and developed a love for aviation. After an honorable discharge, he returned to Anniston where he met and fell in love with Sandra, and they married in 1966. The next 53 years of his life was filled with much laughter, joy and success.

He was a history and economics teacher and basketball and track coach in the Talladega and Calhoun County Schools Systems where he earned the nickname "Killer." Once he retired, he started a second career in computer technology and worked for Software Technology, Inc. and installed computer systems into many school districts in the Southeast.

Tommy had a wide variety of hobbies and pursued each with drive and determination. He loved to fish and his competition with his son-in-law Clay was a source of many long-standing "fish tales." He took up running in his 40s and completed multiple marathons with his running pals, Randy Fortune and Bob White. He had a life-long passion for music. Tommy was a music director at West Point Heights and in various gospel singing groups,

like the Moore Avenue Trio and The Harmony Echoes. Later in life he enjoyed playing the bass guitar at the Friendship Community Center and with several different groups like the Anniston Bar Church Band. He spent most of his time practicing and playing with his band "On The Fence" and performing at countless community events.

His biggest dream as a teenager was to become a pilot. He was able to fulfill that dream in his early 50s. He bought his first airplane, a Cessna 175 and he and Sandra delighted in the ability to fly to different destinations instead of driving. After he retired for the second time, he and his friend Randy Fortune decided to build their own airplane. This became a consuming passion and soon after the first one was completed and sold they started on building the second one. He was in the process of working on his third plane when he passed away.

Tommy also loved to travel. He and his friend Carl Gooding were always looking for a new place to go and explore with their group of friends. Among their travels they visited New England, Boston, New York, National Historic Places in Pennsylvania and the Naval Academy in Annapolis, Maryland. He always looked forward to his time spent at The Villages, going to Braves games, and attending JSU and Georgia Southern football games.

Tommy's life was spent doing exactly what he wanted to do. Enjoying friends, telling corny jokes, and spending time with his grandsons made him a happy man. We will always remember his love and dedication to our family. "Dad," "Pappaw," "Mot Reklaw," and "Pawbird" will forever be in our hearts.

“ Me. Walker was one of my favorite teachers at Saks Middle. He was a great teacher and had a fantastic sense of humor. He loved to tell almost funny jokes and he and I developed a good natured pick at each other relationship from that (I guess he thought my eye-rolling was better than fake laughs of my friends). Once, he showed up at a party at the Whitley's home that his daughter and I were attending. We had water guns and when we Mr. Walker came in I got dared to get him and extra points if I got Mr. Whitley. When Mr. Walker and I saw each other we had a stare down contest where I was debating on squirting him and he was debating on killing me. He mouthed, "You wouldn't dare!" Haha I would and did. He took it well and left many little girls giggling for years at how funny he thought that was. We laughed about that for years as his daughters and I grew up. Janet and Jennifer, I respected your dad so much. I'm so sorry to hear of his passing. I hope you know he was a great influence on many Saks kids lives and especially mine. I have three most favorite teachers in my life and they were all at that party that night. I thought of you all often and pray for peace in knowing he's with the Lord.

“ At first I didn't like Tommy, since I had a crush on Sandra. (I was 7 when they married.) But I soon came to admire him deeply. I remember that Corvette (Stingray?) I remember that bass guitar. I remember his wonderfully witty father. I remember wanting to grow up and be like Tommy. I'm saddened by his death.

“ I don't think I ever seen Uncle Tommy in a bad mood. If he was in one he never let me know it. He had a great laugh. I loved his corny jokes.

“ Lou and I are so sorry and have deepest sympathy for you and the family. Our prayers are with you! We will always remember Tommy’s sense of humor and the fun times we had getting together with y’all. And we are so grateful for the time that Tommy took us on a private flight with him! It was fantastic and we still talk about how much fun we had and appreciate that he would do that for us.

Keep with us, and take
With us.”
