“ *Patte, this seems impossible, Abby was such wonderful little girl, so smart, so quick. I happened to run into her a few year ago and she caught me up on her life. She lit up with joy talking about her children and family. It was a gift to see the person she had become. I'm so sorry she is gone way too soon. I pray the Lord's peace and comfort for you and your family. Much Love always*

“ My heart is hurting for the family. Abby was a very caring lady and she loved the kids at Wellborn. She played an important part in my daughter’s life in softball and through her early years as a cheerleader. Rebecca looked up to her for advice and Abby was always there for her. She will be missed. The family will be in my prayers always. Rest In Peace Abby. I love you.
