“ I'm so sorry I'm just now finding out about this. I was fortunate enough to talk with her many times while she was still able. I loved her very much and have many fond memories of her when I was growing up. She also gave me some recipes that I still use. We have her dressing every Thanksgiving. So glad I'll see her in Heaven. Love to you all and may God comfort you during this time of loss.

“ Mr. Braden, Vickie, Cindy, Jane, and family, I'm saddened having just read of the passing of your precious wife, loving mother, grandmother, and great grandmother. Please know that I love you all and share your loss. I always enjoyed running into your mom and dad from time to time and catching up with the latest news about you all. She loved you all so very much and took great pride in all of you. You all hold a lifetime spot in my heart, and I will always cherish the memories that we have shared together. May God wrap you all in His loving arms and comfort you as only He can. Till we all meet again on the other side, I love you all.
