“ I will always remember his kindness, sense of humor, and all of the positivity he spread. He and I would always joke on Facebook. Alex would post the craziest and funniest things to bring people out of the darkness. I wish I could've hung out with him, but unfortunately life got in the way. But I know he is always with every single one of us in spirit. Rest easy, Alex! I know you wouldn't want us to be sad. Instead, you'd want us to keep living and continue to find the joys in life. Everyone loves you and your memory will forever live in!

I met Alex at Baja in Jville where he was my server many times. He was the most polite, pleasant young gentleman. I remember his beautiful smile and genuine kindness. Later, I had an opportunity to see him again at Margaronas where I met his parents and siblings. Sending my heartfelt condolences to his family and his friends.
