“ Today is 6 months since I saw you or talked to you . I miss you more than words can describe. I do not care what anyone says or thinks, they have no idea what you had been thru in your life, and I know there's no excuse. I know what you did was terribly wrong and so sad and devastating for many, many people. That does not change the fact I loved you more than life. You are and always will be my 1st Baby , I love you forever ❤️ until we meet again ❤️
