“ Alice faye was a special person to me. I loved helping her as often as I could and visiting her and Big Sexy. That was what I called him. (Frank). I always liked when I would pull up at home and they had been by and left a porch full of goodies on my porch. She was a sweet lady I will miss her terribly. She can rest now. She has been sick for so long. No more pain. Her and Big Sexy are swinging and enjoying there self now. Love you both.. Donna
