“ Our precious sister-in-law had gone through so much pain and suffering but never again will she suffer. We already miss her so much but we know she is with our Heavenly Father as well as her earthly father, mother, brother and many other relatives who went on before her for this we are so thankful. We will continue to pray for Chuck (husband), Selena (daughter), Jean (sister), her precious grandchildren and other extended family members and friends. Daily these precious ones will be in our thoughts and prayers. We are so blessed to have the family God chose for us and all our special Christian friends who lift our names in prayer daily. Terry and Janice Rickson, Jimmy and Keisha Summerlin (Jacob and Matthew), Josh and Kim Wallace

“ Althea was a good friend to me. We worked together at the Daily Home and were running buddies in our single years. We always had a lot of fun & laughter. We'd lost contact over the years after I moved to Florida but had recently reconnected through Facebook and for that I am thankful. She was a special lady and I know will be greatly missed! Until we meet again, my friend!
