“ *Binky, Ricky and Regina were our neighbors. I have sweet memories of them all. Riding bikes and sliding down the red dirt hill after a good rain. Regina was little so she didn't come often but I remember her bringing her baby dolls to show me. We smoked what we thought was rabbit tobacco, it's a wonder that none of us died back then. My thoughts and prayers are with ya'll.*

“ *Thank you Binky for you love and compassion to my father in his last days on this earth. A friend he needed and a friend he received. It's things like this that definitely defines a person's heart.*
