“ *Alvis Cole was a true Southern gentleman! I had the pleasure of working with Alvis at Vendala/Coca-Cola. He was a great Christian person and had incredible morals and an incredible work ethic! Heaven gained a wonderful angel!*

“ *So sorry to hear about your dad. I will always remember him checking in my deliveries at Vendala in Oxford. We would take about 10 minutes each delivery just to talk about how our families were doing. May God give you and your family peace and comfort*

“ For over 35 years my father and I had the pleasure of hunting in Pinhook with the Popes and the Coles. Their kindness and generosity toward us has been unmeasurable. I am deeply saddened to hear of Alvis passing. A lifetime of memories and wonderful times rush over me. Far too many to enumerate here. Alvis was always very kind and loads of fun to be around. When we weren't telling old hunting stories we were making new ones! My thoughts and prayers are with Ann, Glenn, Dale, Aimy, as well as the grandchildren and great grandchildren. May the peace and comfort of Jesus Christ be with each of them during this time.

“ Shad and I loved Mr. Cole and our time there hunting and just sitting around listening to Mr. Cole tell hunting stories. I'll never forget Mr. Cole giving the opportunity to kill my first deer. We will keep you all in our prayers.

Love,
Shad & Connie

I cannot express my deepest sympathy for the loss. I was privileged to work with Alvis at Vendala. He was always there to help and was a prankster. To this day people in the Vending industry ask about him. We are so sad that we were not able to show our respects during these ordinary times. Lots of love and prayers for the family.
