“ There are no words to express how full my heart is over the loss of my dear friend of 40+ years. Nita and I met when our kids were in school at Oxford. We clicked like a well oiled machine 😊 she and I have laughed together, cried together, took many trips to the beach with “girls” and had more fun than I can ever explain. She and Ken talked me and John into going on a ski trip (I had never skied in my life) needless to say they all laughed until they cried when I was on the bunny slope and couldn’t even do what the little kids were doing...lol...when I kept falling they finally gave up and let me take those dang skis off! That was a trip I will never forget, I have so many wonderful memories of OHS football games, after ballgame trips to Shoneys, vacations with Ken and Nita mostly to the beach. Our last time to get to go to the beach was the best vacation John and I had ever had. I love you Nita, nothing will ever change that, those memories I have with our families, the girls and just us sitting and talking are deep in my heart. Ken, Bryan and Brad, you all know how I feel about our lives together and I hope those memories are as sweet for y’all as they are for me and John. I know without a shadow of a doubt that Nita is happy and healed from all of her illnesses but that doesn’t make her death hurt any less! I love you all, the entire Lipham family. Rest In Peace my dear friend, we will meet again someday 🕊️💔🕊️
