“ Going to miss this dear lady. I was able to re-connect two years ago after a 35 year absence. I'll always x remember her love for old style country music. I can only imagine Adrian greeting her with, "hello darlin'."

“ She was my sweetheart. She always told me she would run me off the dance. Loved her dearly. RIP sweetheart

“ *Mrs. Anna, or as I know her Mudder, was like a second grandmother to me for nearly my entire life. She was always coming up with something quick witted to say and knew how to make everyone laugh. Growing up I was blessed to have her. I praise God that she is now at peace and that her purpose in this world is fulfilled. I love you, MP!*

“ *Ms. Anna was such a fun and loving person. As I can remember, we all called her Mama Anna. She was sharp as could be and always in for a good laugh, and joking with us all. God bless the family with strength and mercy. Mama Anna, I love you, and I will always remember you treating me as one of your own.*
