

Ashlea Victoria Morris

October 11, 1988 - July 8, 2025

Ashlea Victoria Morris 36, of Talladega AL, passed away on July 8, 2025, surrounded by her loving family after a long battle with Ovarian Cancer.

Throughout her journey, Ashlea became the heart of a movement of love and support known as Ashlea's Army — a community built on prayer, hope, and the belief that no one fights alone. Ashlea's stubbornness, determination and positive outlook helped us all get through this challenge with her.

She was a faithful member of Harvest Bible Barn in Munford, AL, and loved attending church every Sunday. Her church family surrounded her with prayer and love, becoming a treasured part of her life.

Ashlea was a huge Alabama Fan and never missed a game. She also enjoyed Nascar races and cheering on her favorite driver #9 Chase Elliott. She loved her cat, Willow, and getting her nails done.

Ashlea was preceded in death by her Grandparents, Margaret & Barry Dilling, Smyrna DE, Jimmy & Elizabeth Chain, Talladega AL; Great Grandparents, Gilbert & Effie Mae Reynolds, Middletown DE. She is survived by her devoted mama and bonus dad, Debra (Jonathan) Chain; her beloved sisters, Katelyn (Carl) Chace, Brandy (Chris) Bowen, Carla Roberts, Allie Morris; her father, Leonard Morris Jr. She is survived by many aunts and uncles, with honorable

mentions to Barry (Bilonna) Dilling, Trish (Jason) Smith, and Bobbie King, who played a special role in her comfort and care and provided a constant source of love and support throughout her life. Along with many cousins, nieces, and nephews, all of whom loved her deeply.

In lieu of flowers or meals, the family asks that donations be made in Ashlea's honor to the Ovarian Cancer Research Alliance (OCRA) or a local animal shelter.
