“ I will always remember Ashley for her kindness and humor. I will miss our conversations. She was a great supervisor and I was glad I got to know her if only for a couple of years. My prayers go out to her family.

“ Ashley You will be sorely missed. She was funny, outgoing, and was very driven. You could always talk to her, and she would give you her genuine attention. Ashley had a loving and caring heart. The happiness we shared as children and as we got older will always be with me. A lovely angel was added to heaven. I'm sending my love and prayers to you and your family. Love your cousin Jeremy.
