

Ashley Simone Leavell Cronic

January 9, 1986 - September 6, 2024

Ashley Simone Leavell Cronic Sweet Pea. Aunt Ashy. Born January 9, 1986, and was called home to be with Jesus September 6, 2024. She was greeted in heaven by her brother in law Devin Cronic, her father in law Kevin Cronic, her Great Uncle Ted Evans, her Great Aunt Dale Evans, and her fur babies Bella and Ginger Cronic.

Leaving behind a long list of loved ones who mourn her. Her Loving Husband Drew Cronic, and their two fur babies Chipper and Herschel Cronic. Our devoted parents, Ken and Kathy Leavell. Her baby brother and sister, Evan Leavell and Presley Bell. Our wonderful grandparents, Bessie and Jesse Tims, Betty and Lamar Leavell, and Carolyn Blackwell. Her two beautiful neices, Willow Bell and Blakely Dale. Her two handsome nephews, Kevin Hummel and Finn Bell. Her loving in laws, Pat and Susan McDowell. Along with additional brothers and sisters in love, Hunter Bell, Todd and Melissa Dale, and Jennifer and Benjamin Aly. As well as a lengthy and extensive list of Aunts, Uncles, Cousins, and Friends.

Our beautiful Ashley loved God, her family, and Alabama football. Her contagious laughter and corny jokes could turn around any bad day. She blessed us all by sharing her beautiful light, leaving an everlasting impact on anyone she'd meet. Now, she's watching over us all and dancing in the sky.

Her favorite verse, "Have I not commanded you? Be strong and courageous. Do not be afraid, do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1:9

“ Ashley gave me kind words of encouragement, and I gave them to her, as well. I'm deeply saddened by her passing and miss her. She did, indeed, have a light that shined brightly. Rest in peace, sweet soul Ashley!!

“ Ashley was one of my very best friends in high school. Kathy was like a mother to me. I pretty much lived at their house. I will forever be thankful for them showing me what it was like to have a family to laugh to love and have peace at home. That's what the true meaning of a family was and they showed me that. Ashley loved me, accepted me & treated me like a sister. I will forever be grateful for the memories shared with her. She had a contagious smile and I loved her laugh. She had the sweetest soul and I am so thankful I got to call her a friend. ❤️

“ Sending my condolences to Ashley's family. I remember choreographing Ashley and Presley's duet to Angels Among Us. They danced beautifully. Now Ashley is an angel looking over her family. Many prayers. Ashley had a heart of gold!

“ Ashley, your sweet soul made a place in my heart that I'll never let go of. All the memories at the potter's house, I'll cherish forever! Your laughter and silliness! You made life fun! I still can't believe you're gone. But you're forever looking down on us and I'm sure you and my brother already met and are probably cracking jokes! I love you both! Til we meet again!..

I had the pleasure of meeting Ashley. What sweet and charming soul she was. Ashley had such a warmth to her that was very special. It's heart breaking to know she will not fulfill her earthly purpose, but she did leave a legacy of love to all that knew her. Rest in peace and spread your wings you are home now

“ Wow. Life just passes you by. We leave school, carry on with our next chapter without even realizing the people that we depended on the most to get through the past chapter. Ashley, you were an amazing person and my heart is with your family during this time. Please watch over us all. Rest now, my love.

“ I will never forget the night you and I showed up at Ashley O’reilly’s house where they made us put on these crazy outfits to then take us to the grocery store. Or the night we danced our butt off at Wild Bills. You always knew how to bring out the best in people and put a smile on their face. I did actually cheer for Alabama the last couple of years because it made me think of you unless they played Georgia of course . You taught me how to roll tide roll when I didn’t know much about the different college football teams. lol I also will be thankful for you sneaking me the answers in our science class because you helped me pass. I should give you some credit that I graduated. Thank you for being a great friend and loving me as I am. I regret not getting together after I ran into you last year at Pediatrics Associates. We were so excited to see each other and couldn’t wait to catch up. Why did I let life get in the way? You were an Angel in life as you are now. Watch over us and know you were loved deeply! I love you with all my heart!

“ Ashley, you were such a sweet person and good friend. I never knew you to be anything but kind, energetic and you brought positivity everywhere you went. This world will not be the same without you. I know that it is going to be hard for everyone you left behind to keep going. I will be praying for them all. You will never be forgotten. When we talk about our memories of you, it will help our hearts heal.

“ *The only round of golf I ever played was with Ashley at Country Land in Cumming when we were in high school, we had more fun riding in the golf cart that afternoon. (I also know you took my green Hollister shorts to PCB when you said you didn't, I'm sorry for ransacking your drawers 😅)*
