

Ashley Nicole Miller

October 12, 1986 - June 12, 2020

Some people only walk this Earth for a short time. Their departure reminds us that angels are watching over us. Ashley Miller, age 33, passed away on June 12, 2020. She was born on October 12, 1986 in Houston, Texas.

Family and friends are encouraged to attend her funeral service in the Toby Miller Chapel at Miller Funeral Home on Monday, June 15, 2020 at 1:00 pm. Pastor Sonny Spears will be officiating. The visitation will begin at 12:00 pm. Together, we may acknowledge and share both our joy in the gift that her life was to us, and in the pain that her passing brings. In sharing the joy and pain together on this day, may we lessen the pain and remember more clearly the joy.

First and foremost, Ashley was a caring, supportive and loving mother, sister, wife, aunt, and friend. She treasured her two children and embraced every moment she had with them. Her personality was one that would light up the whole room. Ashley was an incredible young woman whose passions included spending time with her baby girls, going to the beach, and finding ways to bring her loved ones together. Ashley was the type of woman to give a person the shirt off of her back. She was beautiful, charming, and had a quick sense of humor.

She is survived by her two daughters, Hayley and Kayley and their father and her husband, William Thomas; her only sister, Jessica Miller and her three children, Jade Green, Jerrel Green and James Green; her oldest brother, Scotty Miller; her two baby brothers, Ross McClanahan and his wife Shaunda

McClanahan, Albert McClanahan and his wife Mariah Rhoads and their two children, Baylee Rhoads and Jerry McClanahan; grandson, Clay Carroll; grandfather, Gary Baxter; grandmother, Lorraine; uncle, Keith Baxter; cousins, Jason Baxter and Wesley Baxter; great aunts, Debra Quick and Aunt Marie, and so many more extended family members.

Ashley is preceded in death by her mother, Laura McClanahan; her Granny, Diane Stubbs, and her brother, James McClanahan.

Ashley will be extremely missed by all those that knew her.

“ *My sister....I miss her so much...she was my life ...the reason why I moved to Alabama and now she's gone....she will never get to see her kids go to prom....graduate high school...or have their own families. I know we're not supposed to question Gods plans...but lord knows I ask why everyday. She was too young to go so soon and my heart is breaking everyday. I know she is with my momma and granny ...that's the only thing that brings me some peace during the hardest time of my life. My only sister ...I love you Ashley and I miss you more than words could ever explain.* ”
