“ Thank you for being an example for so many. You loved hard and big and there will never be another like you in the kitchen. I was blessed to know you and I wish I could physically be there to say goodbye. You are deeply loved and will be missed tremendously. Rest peacefully in heaven. Until we meet again... “ Ruth was a great friend and a wonderful lady. She and Ben will be happy to see each other. I know he will be waiting at the gates of Heaven to give her angel wings to her. Ben will be in his Alabama jersey with a Dodger hat on his head (I hope things are like that in heaven). If there is a special set of wings for great ladies, I know she will get those too.

I love Ruth with my all heart and I will miss her on Facebook. She loves her family and it is evident by all of her beautiful family pictures she posted.

One of my best memories is when we all got together at the Ark. That was one of my best days.

Ruth is the kindest and most generous person with her love and generosity that I have known. Also a great cook!!!

I wish she could have brought Butch home.

Benny (BooBoo), Wendy and Tracie, I love you all very much and will be praying for you as you try to adjust to life without your Mother. It will be a hard time but y'all are all strong and you have family and friends to help you get through this trying time.

If I can help you in any way, I'm just a phone call, text or Facebook message away.

Benny, don't get mad at me for the BooBoo. I love that nickname for you and I can't help myself.

I love you all. You all got great qualities from your Mom and Dad and you will use those to have your best life as they would want you to do.

I will be praying for you and if I can do anything to help please let me know.

I love you very much!!!

“ *Oh at the special times we shared. My memories are so many.. every 6 to 7 weeks ms Ruth changing the color of her hair or changing her haircut lol. Sweet talks about Jesus and how special her family was to her. My most prominent memory that will always remain is the memory of how she made me feel. She made me feel special, accepted, like the best hairdresser in the world and I felt the spirit of the lord in my heart whenever she was around. Beautiful, special memories.. I love her and you all so very much.. in honor of ms Ruth and her memory..*
