“ Always, I will remember her smiles and words of encouragement. I have a vivid memory of our trip when Jeremy was only 3 days old, and we came in from Charleston to see her with him. IT was a wonderful day for her. HER first grandchild and she really did light up with her joy.

GOD has a way of keeping us and refocusing our attention on HIM. Please accept my deepest sincere condolences for your loss. John 14:1-6. GOD BLESS.

“ My little man would push by everyone to go see MawMaw. He would hug her and then just sit in her wheelchair and watch TV with her. He is heartbroken as we all are. Prayers for everyone.

“ We loved and appreciated Barbara so much. Her heart was so big, she treated us like we were immediate family. She made us comfortable visiting in her home, or talking to us any time. A BIG personality.
