“ Mom I love and Miss you terribly!!! Words can't express how feels when they have lost someone who's been their constant rock, their confidence, security, loyalty, and reason I made it to be the age I am today at 59 years!!!

*If only this could reach you in Heaven to let you know how my heart aches when I think of you no longer here.... You'll always be a part of me however as our blood we share ❤️*

*Good please let her know how much she's loved and misses❤️ please show her the beautiful birds of Heaven and somehow remember me❤️*
