“ I have so many memories of your mom. As the oldest cousin, I remember her first as a young single woman and fun aunt. She stayed with us for a while one summer (probably to help Mom when she was having one of the babies) and I remember her waging war on the dandelions in our yard. I also remember being in awe of her portable record player. I also remember what a strong woman she was and how she took challenges in stride and just kept on keeping on. Love you always Aunt Bernie!

“ Laurie, Joe, and Donald I am am so glad you all could be there for your mom. Aunt Bernie was very special to me! She was my godmother and always remembered me on my birthday and Christmas. When we came to visit I had such a good time. I rememberd mom and Aunt Bernie talking and reminiscing about when they were younger and where they were in life. They were friends and sisters❤️ Your mom always had a smile that made feel loved ! She is now with all her loved ones in heaven with Jesus. May God bless you all with unending comfort ❤️🙏 Theresa

Mrs. Thomasson, you are a ton of things from what i have heard, but you must to of been one most incredible and talented strong, & beautiful woman, just like the one you raised to be like you! The woman I am able to learn all things through is remarkable and I believe with all of my heart she taught her just that and much much more! You will be missed! Your daughter has always spoken so highly of you and how strong of a woman you've always been. Just know watching over her, you raised a strong beautiful and very intelligent woman for us all. Rest In Peace Angel. You are at peace and will be missed by MANY people along our ways. GOD Bless the family. May GOD be with you during this feeling of loss.
