Born into a farming family, Betty "Nana," learned to always work hard and stay humble. After marrying the love of her life, Donald Johnson, together they created a family with two loving children here in Oxford. Nana was a loving wife, mother, grandmother, and great-grandmother. She loved her family and God with her entire existence. She also loved "Alabamer" football, listened to every Oxford High School game on the radio, a good movie, a clean house, watching her "babies" play, and going out to eat. She spent her life giving everything that she had to the people she loved. Nana was spunky, sassy, loud, but had a heart that could warm a room. She lived a full of life filled with memories that will never fade.

Nana will be missed and forever in our hearts.
