Betty Phillips (Blue) Jacks was a most loving, unique and extraordinary woman whom will be sorely missed every day. We are comforted only in knowing that she will be forever held in the arms of our loving God. "Strength and dignity are her clothing, and she laughs at the time to come. She opens her mouth with wisdom, and the teaching of kindness is on her tongue. She looks well to the ways of her household and does not eat the bread of idleness." – Proverbs 31:25-28.

"Serve the Lord with gladness, come before His presence with singing. Know ye that the Lord He is God: it is He that hath made us, and not we ourselves; we are His people, and the sheep of His pasture. Enter into His gates with thanksgiving, and into His courts with praise: be thankful unto Him and bless His name. For the Lord is good; His mercy is everlasting; and His truth endureth to all generations." Psalms 100:1-5

Her life began with the smile upon parent's faces and those smiles continued to bring joy and happiness to her family, healthcare colleagues and the patients she touched. God's speed Mom, job well done!!! Son, John, LYH!!!

“ I know my mom and your mom are laughing and reminiscing about the good times they had in high school. Mother always spoke highly of your mom and what a good friend she was. Never easy to lose our moms but we have comfort and peace in knowing they are celebrating in heaven! Just know you and your family are in my prayers.
