“ I have always loved Betty! I have so many memories of being in church together and singing in choir and ladies groups. The words precious, strong, and kindness come to mind when I think of her! Heaven is so much sweeter with her there! I know she has come face to face with her Savior now...

"No more night, no more pain  
No more tears, never crying again  
And praises to the great, "I am"  
We will live in the light of the risen Lamb"

I just found out that my friend Betty had passed. Hadn't talked to her in several years because of health issues and growing apart. We worked together for many years at AFP and had many close conversations. She was a dear Christian lady that could use some breaks in her life. I luv u Betty and it's so sad I couldn't say goodbye but I will see you again 🙏🙏❤️

“ My children and I loved spending time with her, and would often take my little girl to church with her. She cared for them as if they were her own. Her heart was bigger than anyone I have ever met. Beautiful lady with a very sweet soul, and she will be dearly dearly missed.
