“ *So sorry to hear this about my sweet cousin Betty. She was older than I was but we always had fun when we were together. Sometimes she would spend a week with our grandparents and our cousin Randall and I would enjoy her while she was there. We always had fun. Haven't talked to her in a long time but knew she wasn't in good health. Now she has a new body and doesn't have to worry about her heart.,Love you all and know that I love you and am praying for you during this time .*
