Uncle Bill will truly be missed! We have had many many good times with him and all of his family. I can see him now, drinking his coffee, which he loved, cutting the fowl, laughing, and always smiling! He would always say to me, Lynn, you better get over here and give me a hug, then he would give me a big smile! We've enjoyed him spending days at a time, fishing trips, sitting around the fire, riding around, or whatever, we always had a great time! Love ya Uncle Bill. See ya again, one day.
