“ Kathy and family, I am so saddened to learn about your Daddy. I didn't know him, but I know personally of the pain and loss that you must feel. Kathy, I have meant to contact you before now, but life is happening fast, and I just haven't. Please know that you can contact me at any time if I can help or do anything for you and/or your family. My sincere prayers are for you and all who loved him.
