“ I am completely shocked by this news. I had the pleasure of working with him at the Hyundai plant while he was in the work release program. He became one of my best friends. He was such a hard worker and extremely polite to everyone. I always made sure he had everything he needed while we worked together. I'm saddened by this news. Praying for his family and friends. Billy you was one of a kind thank you for being my friend. You'll be missed.
Love Always,
