“ Today I am thinking about you. Yesterday I talked to you, Tomorrow I will see you. We travel this earth not knowing the day or time so we should all take a moment to recognize the one's still here and tell them you love them. Save me a dance, tell Mattie Mae I miss her too. If you see mom there before me show her the ropes until I get there too.

“ *Call from, Dickerson, Bobbie, Call from, Dickerson, Bobbie. Mom's phone sang this tune everyday without failure. Thanks for your time, and care for our family. Go and prepare a place for we all shall follow. The switchboard in heaven now has a new operator. Let everyone who has gone before know that we are ok and will be there soon. Let there be peace in your silence, and fulfillment in your empty space. God bless your family, and heal our broken hearts.*

“ *I worked with Bobbie at Tape Craft back in 1989-1983. Bobbie was a sweet lady and great to be around. I had the honor of knowing her son Archie (Rosa) and Judy. My heart goes out to all her family.*
