“ *I'm so sorry to see that Bobbie has passed away. I worked with her for several years at Southern Tool. We became good friends. She was a wonderful person. I've thought of her often over the years and wish that I had kept in touch. I have a German Chocolate cake recipe that she gave me that we love. I've used that recipe so many times it's discolored and I think of her each time I use it. My condolences to you all. She loved all her family so much. We will be out of town this weekend so I won't be able to attend her service.*
