“ Thank you Bobby for all you have done for your city and friends for as long as I can remember. From my childhood days at Meadowbrook Baptist through my adult days (55 now, so a long long time). You have always been a blessing to my life and will always remember you as serving and smiling while doing so. You were the best example for me growing up as a child in church and even more so in later years as I was coaching youth sports. You will forever be remembered. Sarah, my heart goes out to you. God Bless you and Bobby for all you have been through the years and all you still are, an example of God fearing, loving people.
