It is with great sadness that we learned of Bobby's passing. He was a fine man and fun to work with, always doing an outstanding job. We know your sadness is overwhelming now, but one day, you will be together again. My God watch over you and your family.

“Wow, hard to put in words what I feel! Knowing that one of my classmates has fallen is a sad note for me but at the same token reading everything about Bobby from his close friends today brings comfort in my heart knowing where he is now. The picture below is from a 1976 annual from Carroll high school in Ozark Alabama ! We were juniors then with no cares in the world! Life was very simple when we were growing up! We had no modern technology back then. Our only form of communication came from a letter, a phone call or a CB radio. Looking back on those days life was easy & good, we went to school, we played sports, we had weekend jobs and we went to church on Sunday! The world we live in today has a lot of evil, but to find somebody that can brings the positive out and leads people towards the Lord is a blessing within itself. Everything that I've read and heard about Bobby's life has been leading people towards the Lord, and for that we are all blessed ! RIP Bobby and we will see you again one day ! “ Tammy, what a shock to hear the heart-breaking news of Bobby's passing. I have no words to express my deepest sympathy. He was such a wonderful, selfless, caring man. Bobby cared about everyone and would do anything he could to help someone in need and to provide encouraging words of comfort and hope. He was there when no one else was. He always showed concern and love for Jaren and was such a good role model for many boys and young men without one. His job on earth was well done. He was a good and faithful servant. Great is his reward.

How blessed you were to have such an honorable man lead your household. Losing someone like Bobby is just so hard to understand, completely unexplainable. I remember him saying to me not long ago "I don't even try to understand things anymore, I just trust God" I'm asking God to hold you and your family close during this sad time.

“ Lot of good memories with Bobby at ICBC. Working with him at our wildlife suppers down thru the years, youth hunting trips, camping trips. Bobby had a great love for people especially the youth at Iron City.

“ *Mission trips, prayers, schedules, to do lists, tough love like no other....Dad taught me how a husband and father should be, and helped mold the one God sent me. Ive been a daddys girl from day one and will continue to let his legacy live through our family. He was a huge part of our daily lives, and was superhero in Batman form to our kids ;) i have reached out to him almost daily in the last 10 years for his wisdom....and miss him terribly!* ”
