“ I still can't believe you are gone! Me and you were never suppose to leave the other one! As long as we had each other we would always be okay! What heart i had left went with you sunday night. I will always wander what you wanted to tell me before you died! But most important i hope you knew exactly how much i loved you! You were a wonderful brother but a fantastic son! Help me get through these next few days. I cant stand the thought of putting you in the ground! RIP.SEE YOU SOON
