“ I am so truly sorry for your tragic loss of such a beautiful young soul. Your daughter and sister shined brightly where ever she was. I hate that I missed the service, but I had to work. I didn't even know the services were today. This leaves a huge hole in my heart which I know is incomparable to the way you all are feeling right now. I loved Britni very much and know she is in heaven watching down over all of you. I pray you find peace and comfort in this time of mourning.

“ At this time of need may Jehovah, the God of all comfort be with the family. Psalms 147:3 says "He heals the brokenhearted; He binds up their wounds" I hope these words bring peace to your hearts.

“ *My sweet Britni, you came into my life and you brought so much cheer. I can't thank you enough for the memories. The world is going to be so boring without you here. I know that one day I will see you again, so save me a spot next to you and Chris. I love you babygirl. I am going to miss you and that beautiful smile. Love always, Angela*

I just can't stop crying, hours and hours, day after day, and then I think of something she said or did that would make me laugh just as if She we're here...it will never be real. She will always be precious to me. Always
