“ Growing up in Oxford was a blessing and knowing the Ray family was a blessing. I knew Brock growing up and when I got older and moved to Birmingham I worked in television production. What a surprise to learn that Brock was starting a hunting and fishing show for the Outdoor Channel and our paths would cross once more. I worked with Brock for four years on his show and we traveled to many, many places together. Brock was many things, an entrepreneur, a business man with incredible ideas, he was very funny and loved to laugh and have a good time, but, most of all Brock was genuinely kind to everyone he met. Brocks relationship with Jesus Christ showed through in his shows as well. He would say "The Lord has blessed us with yet another hunt." and " May God bless you as He has blessed me and if you ask Him He will." Brock is now resting in peace in the arms of his savior. I pray comfort for children Colby, Courtney, and Connor and brother Scott.
