“ When I worked at Joanns store and someone was getting ugly with me Avery stepped in and helped me out. So I've always thought of him as a good friend. My heart breaks for his family.

“ *Now one more down to earth and loving their southern roots than him. He came across add unapproachable by some that saw him but when they talk to him they realized he was someone who would be there for them..to talk..listen..and give advice. Gave me some of the best advice that woke me up and changed my life years ago. You will be missed Avery!❤️❤️😭*
