She was a member of Hopeful Baptist Church. She was preceded in death by her husband Carl "Bunk" Stephens. Carol Stephens, mother, loved the Lord. She never went anywhere she did not bring up the Lord's name and how good he is to us all. She loved to see all the trees, mountains, flowers, birds, creeks, lakes, autumn leaves, snow in the winter, and every thing that God had created. She took time to really see and talk about all the beauty that God had created for all of us. Mother was a humble person who never lost that child life feeling in her heart. She helped so many

people, but never asked for anything in return. She touched many lives and was a blessing to so many. There is not enough word to tell the love that her son and daughter have for there mother. She taught us about the Lord and raised us up in church. The precious songs she sang to us, the times she helped us, the times she corrected us are just a blessing to show what a true mother should be. We love you and we will miss you but one day we will see you again.
