

Carole H. Nesbit

December 17, 1933 - May 6, 2024

It is with heavy hearts that we announce the passing of our mother, Carole (Human) Nesbit, 90 years of age.

After living with pulmonary fibrosis for 6 years she had a recent onset of pneumonia and Carole passed away surrounded by her family on May 6, 2024.

Carole is preceded in death by her husband, Robert A. Nesbit Jr., who passed away in 2013; her parents, Carolyn and William Danner Human; her brother, William Danner Human Jr.; and two great grandchildren.

Carole is survived by five children, Deborah Nesbit (Richard), Patti Miles Duke (Michael), Robert A. Nesbit, III (Christie), Robin Nesbit Mayfield (Scott) and Donald Nesbit (Ashley); 7 grandchildren, Robert Miles (Kat), Robyn Morgan, Kain Nesbit, Karson Nesbit, and Kameron Nesbit, Landon Nesbit and Daniel Caldwell (Kari); 12 great grandchildren; and nieces and nephews.

Carole's legacy is intricately woven into the lives of her children, grandchildren, and great-grandchildren. Her nurturing spirit and love will continue to resonate through generations.

Living with pulmonary fibrosis for six years demonstrates her strength and

resilience. She faced challenges with courage and grace.

Carole's reunion with her late husband, Robert A. Nesbit, Jr., is a touching reminder of enduring love and companionship.

Her move from New Jersey to Anniston, AL, over six decades ago signifies the importance of family bonds and the places we call home.

The cherished moments spent with Carole—whether around the kitchen table, during family gatherings especially at Thanksgiving holiday, or simply sharing memories with laughter —will forever hold a special place in the hearts of those who knew her.
