“ Grandmother Carrie... you we a great grandmother to Keith and I as well as Zach & Sarah! It was always a pleasure to visit you. We will forever treasure the wonderful memories you shared and made with each of us. Your hospitality and kindness will never be forgotten. You always expressed love for your grandchildren and great grandchildren equally and unconditionally and welcomed me as one of the family. You were the most precious grandmother to me as my grandparents passed before I had got to know them. I will always miss seeing your smiling face as you waited patiently on the front porch to welcome us. My sadness is now bearable knowing that You are home now resting with the love of your life, Jim. You will always be loved!
