“ As 1st cousins Ann and I basically grew up together. I cannot remember an argument or a cross word between us. We lived at Bynum , a community of love and friendship. Always playing outside or swimming at the lake. Ann was loved by all and in return loved so many people. A smile, a kind word, or encouragement was what you could expect from Ann. Dear one you will be missed so much, but I am sure you had a great welcoming.
Love you Larry

I had a crush on Ann as a preteen. I was proud to claim I kissed her on her elbow. She was my 1st puppy love at Bynum. We lost touch after elementary school, but she will always be remembered fondly. RIP, sweet,Ann.

“ Ann and Sonny were our (my late husband and I) life group leaders through Word Alive International Outreach for several years. Ann accompanied me - well, she DROVE me, to Birmingham UAB hospital supposedly for neck surgery. However, everyone had prayed for me the night before including my precious warrior Judy Clarke and Ann. Ann had written out several healing scriptures for me which we read on the way to the hospital.

The night before we left, I had had a dream that I was healed - walked out into a busy waiting room and declared, "Jesus Healed Me!" I'm outta here.

Well, everything went according to His plan and that's exactly what happened!! I walked out of Dr. Faulkner's office, raised my hand in the air and proclaimed my healing and I was outta there....never have had any problems with my neck since and no surgery!

Ann was like that with everyone - helping hand, prayerful and generous.

Ann - you are healed and you are outta here. I'll see you again sweet lady.
