“ I LOVE YOU ALWAYS CATHY ... We have had so much fun in our time together ... We shared much laughter and many tears together and God saw us through it all with Jesus and Holy Spirit ... You Are Beautiful ... You are Our Family Sister and Our Sister in Christ ... Your Love was gathered many years ago and placed in my heart's treasury and we will meet again for our hope is in God ... thank you for all our wonderful, interesting conversations about cooking, books, nature and personal opinions in medical subjects and all the many delicious home cooked meals you prepared for Jack and for all of your family and for all of us and your gracious hospitality ... thank you for loving my only brother and all of your children and grandchildren and family ... thank you Cathy for ALWAYS LOVING ME ...
