“ Aunt Kat always amazed me with how vibrant her mind worked. I had to constantly remind myself that she was not the 30 year old she was perceived to be. I hope that I have inherited her wonderful mind and personality. It's quite a testimony that she could still touch people's hearts at this stage of her life. We'll miss you dearly Aunt Kat! I love you!

“ I have SO many wonderful memories of Aunt Cat. All the times we slipped off together and did things.

My most memorable is our trip to Bowdon where Aunt Cat showed me and cousin Tom where her daddy and mama's store was located. But then, she showed us the "alley". This is where her dad Tug parked his horse and buggy. Aunt Cat decided to jump in the buggy and slap the reigns of the horse and holler real loud, "Giddy up!" The horse tore out with Aunt Cat in the buddy. Tug and the people of Bowdon were chasing her down the streets of Bowdon to stop the horse! Can't you just see that? I still laugh to this day and can hear her voice when she hollered at the horse! HA!

Another special memory is "shoe shopping". Aunt Cat LOVED shoes! Have you ever taken her shoe shopping? LOL! She would tell me, "Now I'm picky." I knew what that meant, it was going to take a while, so just leave her alone and let her shop. Three hours later and 3 stores later, there was finally a pair of shoes bought! I would have taken her any day and spent as long as she needed and she knew that. I loved Aunt Cat very much and will forever hold the greatest memories of her in my heart.

I know you are dancing on those streets of gold right now. I just sit here at my desk just waiting on you to come through the door. My heart is broken into a million pieces right now, and the only thing that gives me comfort is knowing you are where you have wanted to be for a while. I have such comfort knowing I have a guardian angel watching over me now. Until we meet again....I love you!
