Charles was a faithful friend, and loving husband, father, grandfather, and

brother. He had a strong personal relationship with Jesus. He loved being outdoors camping and riding his side-by-side. He enjoyed hanging out in his shop with his antique cars. An avid football fan, his favorite team was Alabama. He was a true friend, always helping others when he could or was asked. He was a Navy Veteran and participated in the Naval Blockade around Cuba. Although he was just a young man at the time, he was strong like a rock in belief of freedom for his country. He retired from the Alabama Department of Transportation where he worked as a heavy mobile equipment operator.

The family would like to extend a special acknowledgement to Gerald 'Binki' Alexander and Randy Fry for always being his legs and hands when his mobility became limited and always being just a phone call away. The family would also like to thank Oxford EMS for the love and care shown to the family.
