“ *Our thoughts and prayers are with Judy and all the family of Charlie Hardin. We met Charlie through a camping group. It was clear Charlie loved the Lord and showed this love through his kindness and helpfulness to others. It was our pleasure to know Charlie and he will be missed but one day we will meet again.*

“ *I have lots of good memories of Charlie. He was a kindhearted man who was good at many things, and was a wonderful cook! Even though I had not seen Charlie in many years, he brought smiles to my husband and me "way back when". I am very sorry to hear of his passing.*

“Daddy I’m going to miss all our talks and you popping in at Walmart. He loved Wal-Mart he always came in to see me at work. If he couldn’t find me he asked everyone if I was at work that day, he never wanted to come in and not check before he left to make sure he hadn’t missed me. He always ask is Cindy here to but most of the time we were together when he came in it just made my day better to see he was close and making sure I didn’t need anything and always asking about Tim and Kasey and all that grand babies. He would say is your sister and brother ok. Always making sure everyone else was ok. (Daddy we are fine it’s time to rest I will keep a check on everyone now) I love you so much). Love Tammie. MY DADDY.
