“ During Charlie’s career at Northwest Airlines he was instrumental in
helping his fellow workers. He worked very hard to represent the
bargaining employees in dealings with management. Charlie was
very good in what he did. Those of us who worked with Charlie
thought of him fondly. He will be missed.

God Bless Charlie and his family. 🙏🙏🙏

“ I will always remember the kindness and helpful attitude of Charlie and working with him at Northwest Airlines in Memphis was a pleasure. Memories of Charlie’s laughter and humor touched the lives of our airline family. Charlie was committed to helping others and approached the challenges of history changing events in the airline industry with Grace.

I’m praying for your family and will always remember Charlie. For him one last time War Eagle
