“ *Jody was my daughter Robin's 1st boyfriends. They were at such a young age. Used to take them to Hardee's in Oxford. We had lots of fun. So sorry Carolyn. It's hard to lose a child.*

“ *Jody was a very dear friend and like a brother for a good part of 40 years. The world is a little less bright without him here. He will be sorely missed. Catch you on the other side brother!*
